

Make Tracks to Outdoor School

Join Us at Mendocino Woodlands' Mendocino Outdoor Science School

**High-quality, reasonably-priced, experiential learning programs
offered in Spring and Fall**

One of the best programs in the nation, participants are led by knowledgeable and caring teacher-naturalists in small learning groups. The program can be tailored to fit the specific needs and interests of your group.

- 🐾 Explore the redwoods
- 🐾 Take field hikes
- 🐾 Go tidepooling
- 🐾 Hike along the bluffs, watch for whales
- 🐾 Challenge Course poses a series of physical and mental problems students solve together as a team

All activities not only teach about nature, but also build confidence and a sense of community.

Located on the beautiful North Coast—rich in California History—Mendocino Woodlands is a State Park as well as a National Historic Landmark. Students stay in cabins hand-built by the Civil Conservation Corp in the 1930's.

All Programs include:

- 🐾 Hands-on science
- 🐾 Lodging
- 🐾 Healthy, kid-friendly food
- 🐾 Field trip to the ocean
